P.O. Box 500

Belmont, MA – 02478

Phinney's Friends believes that the human-animal bond is a source of love, joy, comfort and fulfillment for both people and their pets. To this end, Phinney's Friends is dedicated to helping low-income individuals with disabling illnesses or other hardships maintain this bond with their companion animals by providing assistance with everyday pet care. Phinney's Friends is collaborating with Ethos to provide many of our services to seniors in need in the Boston area.
